

RESIDENTIAL CARE LISTENING SESSIONS

WHEN

April 2022 – June
2022

The listening sessions will be virtual and last approximately 60-90 minutes.

All young adults and caregivers will receive a \$45 e-gift card as a 'thank you' for their participation.

To register, please complete the following registration form.

PURPOSE

To share the experiences of young people in Kentucky based on their experiences in institutional settings in the child welfare involvement.

WHO

- Young adults (ages 18-26) with institutional/residential care experience in Kentucky
- Caregivers who have had children with institutional/residential care experience in Kentucky
